

October 2023

International Society of Research and Advocacy for Developmental Coordination Disorder (ISRA-DCD)

Message from the Chair

Dear ISRA-DCD Community,
We were delighted to welcome 30 members to our inaugural annual general meeting on the 17th October. We discussed the structure of the board, provided a membership and finance update and discussed a range of initiatives, with lots of ideas from the members present. We will review all of the suggestions at our next board meeting. Stay tuned!
