The Board has been hard at work making plans for the upcoming months. We have several dates for you to hold in your calendar. First, we will be launching our **webinar series** on the first Thursday of the month at 3pm CET (see schedule of talks below). Second, we have adopted Oct 13-19, 2024 as **DCD Awareness Week**. We will provide resources and suggestions on how you can increase awareness of DCD in your community and country. Finally, our 2nd **Annual General Meeting** will be held on Thur Oct 17 at 3pm CET. We will have a special Zoom background for people to use so we can take a photo of our group for DCD Awareness Week. Let's show our strength in numbers!
